## ProChem® ClamShell Funnel

PROCHEM® CLAMSHELL FUNNEL - PROCHEM® CLAMSHELL FUNNEL - PROCHEM® CLAMSHELL FUNNEL - PROCHEM® CLAMSHELL FUNNEL

Transfer chemicals safely and efficiently from D.O.T. pails, Jeri cans and buckets or any other source into your Gemini® and ProChem® storage tanks, drums, IBC's, Tanks, or any other container with an 8" or smaller opening.

### Features

- Constructed from durable light weight linear polyethylene.
- Designed to snugly fit 30 and 55 gallon Drums, Intermediate Bulk Containers (IBC's) or any Peabody Tanks with 5" or 8" Twist Lids, including Gemini® Cylindricals, Gemini® Squares, ProChem® Single Wall Tanks, ProChem® Closed Top Tanks, and others.
- Highly chemical resistant works great on any tank with 8" or smaller lids.
- Standard color is black to hide dirt and stains.
- Scalloped clamshell design with integral molded-in ridges to direct flow toward the tank opening and help reduce splashing.
- Molded-in top internal rim flange "splash-guard" to further reduce potential for splashing.
- Integral molded-in nozzle easily fits into 2", 4" and 8" sizes to fit drums, IBC's and tanks respectively.
- Integral molded-in support lugs hold the funnel securely in place once installed and allows for easy removal when finished.
- Smooth inner surface allows for efficient flow of product from pail or bucket into tank and easy clean-up after filling.
- Optional cover available to contain residue and odors. Optional lanyard also available to attach lid to funnel.
- Low cost, so all of your operators and sales force can always have one or more on hand.
- Great for liquid waste collection.

### Summary

- Lightweight
- Clean
- Safe
- Secure
- Easy to use
- Low cost

ProChem® ClamShell Funnel				
Description	Avail	Color	Fits Lid	Part #
For Drums	E	Black	2"	02-32819
