

SEWER SWEETENER - LEMON

Product # 371

Control offensive odors

This powerful liquid deodorizer was formulated to control obnoxious odors in sewage plants, lagoons, mains and laterals and other wastewater facilities. It controls odors without using harmful solvents and will not disrupt the natural bacterial action in digesters, septic tanks and drain fields.

Controls Odors Around:

- Sewage treatment plants
- Sewer mains and laterals
- Septic tanks
- Lagoons
- Garbage containers
- Drain fields
- Aerators
- Dumps
- Garbage haulers

Features and Benefits

- Does not effect bacterial action.
- Water-based formula contains no harmful solvents.

Properties

Appearance.....	Yellow liquid
