HyFlex®

ADVANCED MECHANICAL PROTECTION

11-818

Our lightest Multi-Purpose glove for ultimate dexterity

Multi Purpose | Abrasion Protection | LD Light Duty

Ultralight multi-purpose gloves, designed for comfortable, tactile handling

- **Heightened tactility and dexterity:** HyFlex® 11-818 safety gloves' lightweight 18-gauge liner and thin coating grant them a "second skin" feel
- **Improved durability:** Their FORTIX™ Abrasion Resistance nitrile coating helps them achieve ANSI/EN-compliant abrasion resistance
- **Enhanced grip:** The same nitrile foam coating ensures excellent grip, especially in dry conditions
- **Elevated comfort:** HyFlex® 11-818 industrial gloves' ZONZ™ Comfort Fit knitwork relieves tension in stress-prone areas
- **Enhanced breathability:** As their coating is thin and palm-dipped, hand protection is more breathable
- **Certified skin-friendliness and cleanliness:** Dermatest® certification ensures skin-friendliness, while impurities are extracted through a proprietary washing process

Industries

- Automotive
- Machinery and Equipment
- Chemical
- Utilities
- Warehousing
- Food processing and handling

Applications

- Adjusting parts, systems
- Mounting and dismantling
- Final assembly
- Loading and unloading trucks and vehicles
- Handling incoming goods
- Handling outgoing goods: cans, vessels, bulkpack and cartons
- Loading trucks & vehicles
- Product shipping, transport and delivery
- Opening furnaces draining pumps valves or lines and crackers BTX process
- Lock smith
- Dry food handling & packaging
- Compatible with consumer and industrial touchscreens

HyFlex®

ADVANCED MECHANICAL PROTECTION

11-818

Our lightest Multi-Purpose glove for ultimate dexterity

Key Features

- **Light 18-gauge liner:** For PPE gloves with "second skin" tactility
- **Thin nitrile foam coating:** Added grip and 200% greater durability*
- **ZONZ™ Comfort Fit:** Optimized knitwork for reduced tension and strain

*when compared with similarly equipped competitor gloves
