

ULTRATECH
INTERNATIONAL, INC.

Ultra-Overpack Plus® 95 Gallon

Screw top Ultra-Overpacks offer the highest UN and DOT certifications available

- + Polypropylene construction provides excellent chemical resistance, including acids, caustics, and corrosives.
- + Easy-to-close screw top lid
- + Convenient, “no-tools required” closures are perfect for clean-up and spill response applications.
- + Nestable design and low tare weight allow convenient storage and reduced transportation costs.
- + The perfect container for spill kits - heavy-duty and rugged yet easy to transport to the spill site.
- + Lids can be tightened using wooden beam (2x4) in molded-in slots.
- + FOB: Mentor, Ohio 44060 USA
