NYCON
PRODUCTS

A Division of Ted Ruhling Company, Inc.

Celebrating Over **50** Years of Manufacturing Quality Products

1200 Series Commercial:

Heavy aluminum frame with smooth edges covered on the leading edge with our patented H style plastic edging to protect pool lining and prevent net from wearing.

Rounded corner bag with easy "flip" cleaning available in White Polyester wear resistant fabric or black Fiberglass

Seamless aluminum handle with plastic cap and quick connector.

Skimmers:

1201A 13" x 14" Aluminum bag

1201N 13"x 14" White Polyester bag (N)

1201F 13"x13" Fiberglass bag (F)

Leaf Rakes:

1220N 19" x 6" x 11" White Polyester bag (N)

1220F 19" x 6" x 11" Fiberglass bag (F)

Commercial:

1230N 30" x 8" x 12" White Polyester bag (N)

1230F 30" x 8" x 12" Fiberglass bag (F)

800 Series Professional:

Heavy aluminum frame with smooth edges will not mark or cut pool lining

Unique metal shape protects net edges from wearing

Seamless aluminum handle with plastic cap and quick connector

Skimmers:

801A 13" X 14" Aluminum bag (A)

801C 13" X 14" Coated Mesh bag (C)

801N 13" X 14" White Polyester bag (N)

801F 13" X 14" Fiberglass bag (F)

Leaf Rakes:

820C 19" X 6" X 11" Coated Mesh bag (C)

820N 19" X 6" X 11" White Polyester bag (N)

820F 19" X 6" X 11" Fiberglass bag (F)

820U 19" X 6" X 11" Black 1/4" Polyester bag (U)

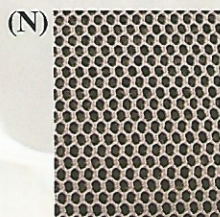

Professional:

830N 30" x 8" x 12" White Polyester bag

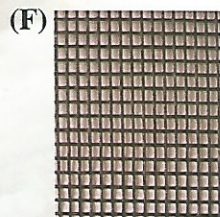

830F 30" x 8" x 12" Fiberglass bag

830U 30" x 8" x 12" Black 1/4" Polyester bag (U)

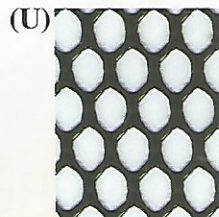

Available Netting:

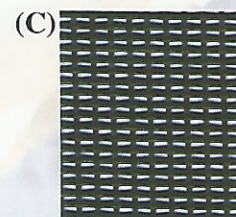

(N) 1/16" White Polyester

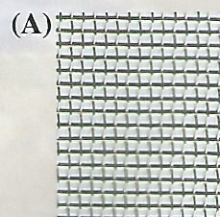

(F) Black Fiberglass

(U) 1/4" Black Polyester

(C) Coated Mesh

(A) Aluminum Mesh

400 Series Deluxe

This series has been in constant production since the early 60's and pioneered our patented H style plastic edging

Known for quality and durability.

Rounded corner bag available in White Polyester wear resistant fabric or Black Fiberglass

Seamless aluminum handle with plastic cap and quick connector

Skimmers:

401N 13" x 14" Polyester bag (N)

401F 13" x 14" Fiberglass bag (F)

Leaf Rakes:

420N 19" x 6" x 11" Polyester bag (N)

420F 19" x 6" x 11" Fiberglass bag (F)

600 Series Economy

Durable aluminum frame covered by our patented H style plastic edging

Easy "flip" Black Fiberglass bag with rounded corners

Seamless aluminum handle with plastic quick connector

Skimmer

601 13" x 14"

601 DH 601 with adapter for detachable handle (DHTele, see page 7) in place of aluminum handle

Leaf Rake:

620 19" x 6" x 11"

620 DH 620 with adapter for detachable handle (DHTele, see page 7) in place of aluminum handle

Specialty Rakes:

Beach Rake

• **B-04A** 14" x 12" x 3-1/2" deep aluminum mesh netting with 36 inch handle and scooped front edge.

Designed to assist in cleaning up beaches and other sandy areas. Scoop front edge "cuts" into sand to reduce effort, while fine aluminum mesh catches debris and allows sand particles to easily fall through leaving debris behind for easy disposal.

Floating Rake

• **FR-20** Floating Rake
20" x 5" x 11" deep - 1/16" mesh

• **FR-30** Floating Rake
30" x 5" x 11" deep - 1/16" mesh

The Floating Rake has been designed to assist in the removal of floating debris, string algae, and moss on top of or just below the surface of the water. The floating design perfectly positions the frame and net to catch floating debris and allows for a longer reach with less effort.

Heavy Duty Handle

Fits 1-1/8 inch diameter handle

- **HDT-02**
2-4 ft Telescopic handle
- **HDT-04**
24-6 ft Telescopic handle
- **HDT-06**
6.7-12 ft Telescopic handle
- **HDT-08**
7.1-15.6 ft Telescopic handle
- **HD-04**
4 ft straight handle
- **HD-06**
5.9 ft straight handle
- **HDX-06**
5.9 ft extension handle fits all HD poles comes with bolts & nuts to join 2 1-1/4" poles

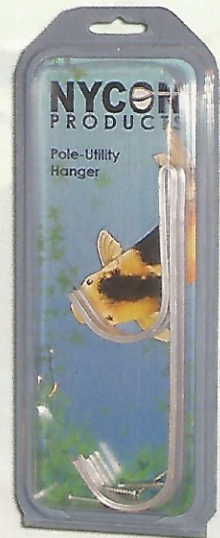

AK1 Adaptor for attaching nets or accessories without quick connectors to a 1 1/4 inch pole

AK2 1 1/8 inch by 8 inch adaptor joins two lengths of 1 1/4 inch tubing packed individually with nuts and bolts

Aluminum Pole Hangers

12P Heavy aluminum construction holds two poles. Packaged with two screws for easy assembly

Thermometers

Necessary for maintaining correct pond temperature - Easy to read Fahrenheit and Celsius scales

- T-1** Economy, tough clear plastic casing with tether cord and black end caps
- T-2** Floating, clear plastic casing with black end caps.

Life Hooks

Made of high quality air craft grade aluminum for maximum strength and durability
Cradle design can be used as an aid for learning to swim

#9 Life Hook

9WNB #9 Life hook with bolts and wing nuts included

NB-01 Two bolts and wing nuts for #9 life hook

NB-06 Twelve bolts and wing nuts for #9 life hook

Tank Nets

Full aluminum construction provides strength and durability while unique metal shape protects net from wear and allows frame to glide through water easily.

Distinctively shaped frame with "scooped" front edge fits into difficult places and aids in collection.

Kwik—Kleen Skimmer Rakes

Solid aluminum frame covered by our patented H style plastic edging that protects liners while assisting in the collection of surface or bottom debris.

Replacement nets available

KF nets are made with an extra fine mesh bag for fine particles

KD nets have an eight inch deep bag to handle larger debris

K-DH nets are fitted with an adaptor for a detachable telehandle (DHTele, see page 7)

Pond Nets

Durable all aluminum construction with patented H style front edge
 These nets were designed for handling small fish in ponds or large aquariums

A-9

12" x 8" x 8" oval frame
 Black 1/4" Polyester net
 12" handle

A-10

10" x 8" x 8" rectangle frame
 White 1/16" Polyester net
 12" handle

A-11

12" x 8" x 8" oval frame
 Black 1/4" Polyester net
 18" handle

A-12

12" x 8" x 8" oval frame
 Black 1/4" Polyester net
 36" handle

A-12 DH

12" x 8" x 8" oval frame
 Black 1/4" Polyester net
 Adaptor for detachable handle (DHTele, see page 7)

A-13

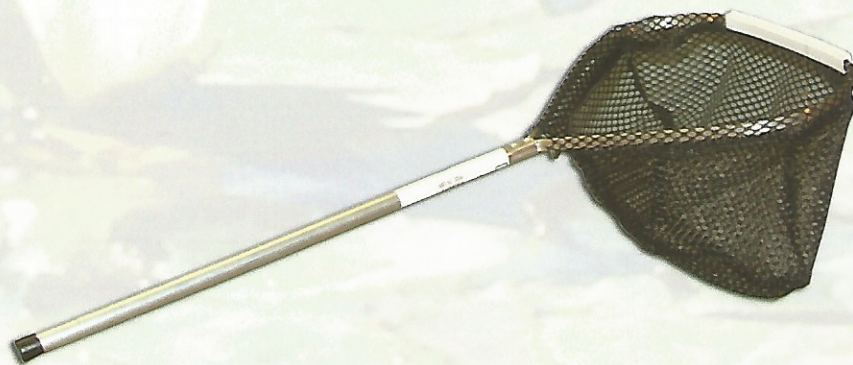

10" x 8" x 8" rectangle frame
 White 1/16" Polyester net
 18" handle

A-14

10" x 8" x 8" rectangle frame
 White 1/16" Polyester net
 36" handle

A-14 DH

10" x 8" x 8" rectangle frame
 White 1/16" Polyester net
 Adaptor for detachable handle (DHTele, see page 7)

Utility Pond net with Telescopic Handle

Utility nets with telescopic handle and patented H style front edge
 Ideal for small fish or skimming ponds
 Telescopic handle extends from 32 to 52 inches

C-01

16" x 12" x 12"
 1/4" Black Polyester net
 Telescopic handle

C-02 same as C-01 with 1/16" White Polyester net

C-03 same as C-01 with removable telehandle

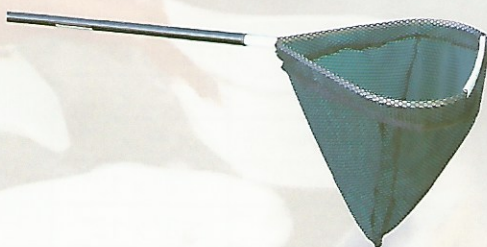

C-03DH packaged without telehandle
 (DHTele, see page 7)

C-04 same as C-02 with removable telehandle

C-04DH packaged without telehandle
 (DHTele, see page 7)

C-031 individually packed C-03

C-041 individually packed C-04

Koi Handling Nets

Koi Deluxe Nets

Heavy 3/8" extruded aluminum rod for extra strength and durability covered by plastic edging to protect both netting and fish

Specially treated netting to resist barb penetration and scaling

Plastic edging is replaceable

All sizes approximate

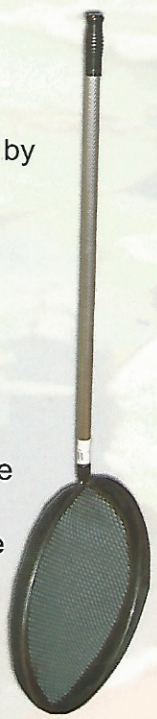

- Koi-D1** 20" diameter frame
- Koi-D2** 24" diameter frame
- Koi-D3** 28" diameter frame
- Koi-D4** 32" diameter frame
- Koi-D5** 36" diameter frame

Koi Net

Heavy 3/8" extruded aluminum rod covered by a soft polyester frame cover to protect fish

- KE-15** 15" diameter frame
18" handle
- KE-20** 20" diameter frame
36" handle
- KE-22** 20" diameter frame
3 ft x 5-1/2 ft telescopic handle
- KE-23** 20" diameter frame
3 ft x 5-1/2 ft telescopic handle

Koi Net Handles

Heavy wall seamless 1-1/8" diameter aircraft aluminum tubing with handle grip

Equipped with quick connector

- KH-02** 2ft handle
- KH-04** 4ft handle
- KH-06** 6ft handle

Telescopic Koi Net Handles

Heavy wall seamless aircraft aluminum tubing anodized with handle grip. Equipped with quick connector

- T2-4** 2-4ft telescopic
- T4-8** 4-8ft telescopic
- T6-12** 6-12ft telescopic

Sock Nets

12" handle with rubber handle grip and nylon sock

All metal edges covered to protect fish

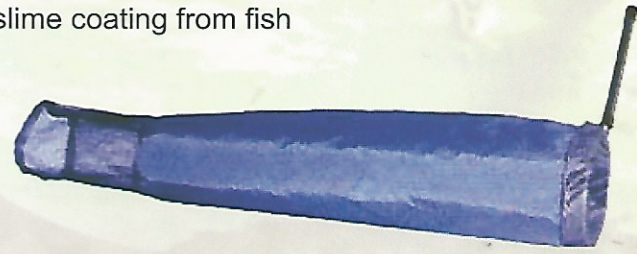

A safe and easy way to handle large koi

- KOI-S1**
8" diameter net with a 36" sock
- KOI-S2**
11" diameter net with a 42" sock
- KOI-S3**
15" diameter net with a 48" sock

KOI-S5 Koi Sock Net / Transporter

11" diameter net with 54" sock
12" handle with rubber hand grip
Material holds water and will not remove the slime coating from fish

Algae Brush

Stiff nylon cone brush eliminates algae in hard to reach places Telescopic handle extends from 32" to 57"
AB-01

Algae Twister

Serrated aluminum head allows for quick and efficient pick up and disposal of many algae types. Telescopic handle extends from 32" to 57"

AT-01

Algae Removal Kit

A complete kit for removal of all types of algae. Heads are interchangeable on furnished telescopic handle

AK-01

- Algae Twister Head
- Algae Brush Head
- Algae Skimmer Rake
- Telescopic Handle
- Handle Hanger

Detachable Telehandle

To cut down on the ever rising cost of freight for our customers, we have developed a new DH series of nets. All DH nets easily attach to the telescopic handle (DHTele) with little effort and no tools. Of course, you may still order all Nycon nets with a permanently attached handle if you so desire. Nets available for purchase in this manner are designated by a DH suffix (i.e. K-05DH). * Please note that any DH products are sold as net heads only, handles are sold separately.

DHTele 32" to 57" Telescopic handle

Koi-Kastle

Provides koi and other fish protection from predators and the sun.

KK-01

9"x7"x18"

Aluminum frame and mesh body

KK-02

12"x12"x24"

Aluminum frame and mesh body

KK-03

21.5"x12"x9"

Molded black plastic.

Designed to resemble a rock and blend in with the pond bottom

These smaller Kastles are designed to provide protection for smaller fish. Can easily be used in aquariums and ponds.

KK-04 Koi Kastle

13" x 7" x 6"

Made of molded black plastic

KK-05 Mini Kastle

7.5" x 5.5" x 4"

Made of molded black plastic
Ideal for aquariums

Fish Spawning Incubator

Floats or may be anchored to desired position

Constructed of fish friendly polyester fur and fine mesh so fry won't escape

Foam floating ring, with weighted bottom and anchor tab

FSB-01

18" diameter

18" deep

Fish Spawning Brush

FSB-04 48 inch fish spawning brush

Drape brush into pond for fish to spawn against

Easily attaches with ropes to edge of pond

Floating Plant Protector

Fasten the bag around your plant container or anchor screen securely to bottom of pond
 Protect your long-stemmed plants, such as water lilies, from koi and other fish
 Dark mesh net minimizes visibility and enhances the beauty of the pond area
 Floating top protects plants on the surface of the water
 Black polyester netting with drawstring

RFI-D2

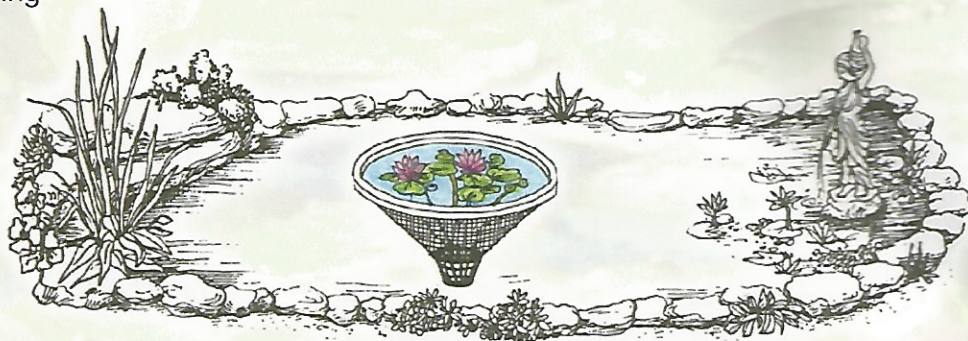

18" deep
 2 ft diameter

RFI-D3

30" deep
 3 ft diameter

RFI-D4

48" Deep
 3 ft diameter

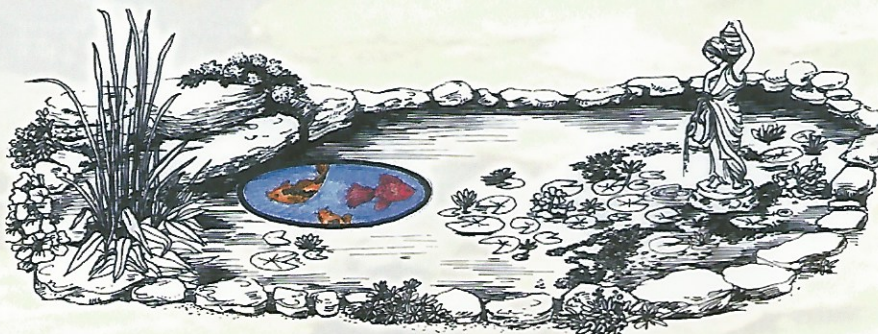

Koi-Feeder/Viewer Ring

Calms the water inside the ring improving the visibility of fish
 Prevents pond contamination while feeding.

KR-01 1 ft. diameter

KR-02 2ft diameter

Floating Flora Islands

Round shape confines floating water plants to a specific area and can be easily anchored to bottom of pond
 Keeps pond clean, leaves are contained within the basket and will not pollute the pond
 Dark mesh net minimizes visibility and enhances the beauty of the pond area
 Protect plants from fish
 Provides shade for fish
 Reduces algae
 Reduces clean-up time
 Easily stored at the end of the season

RFI-1
 1-1/2 ft Round

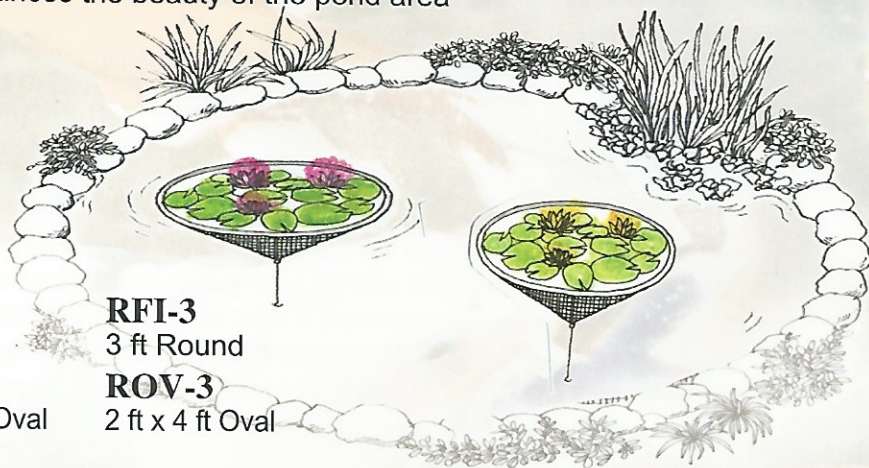

ROV-1
 1 ft x 2 ft Oval

RFI-2
 2 ft Round

ROV-2
 18 in x 36 in Oval

RFI-3
 3 ft Round

ROV-3
 2 ft x 4 ft Oval

ROVs

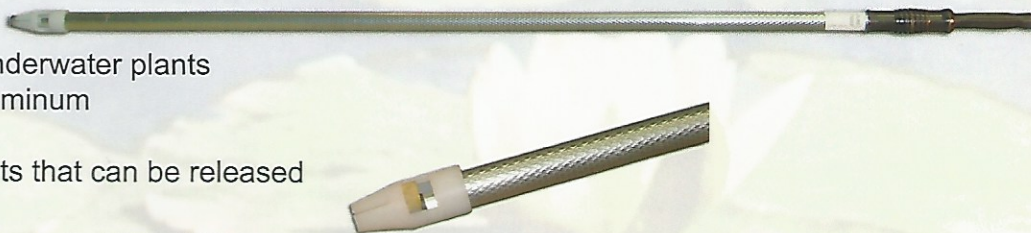

RFIs

PLANT FEEDER

Stay dry while feeding your underwater plants
 Constructed of heavy duty aluminum
 Rubber Handle Grip
 Magazine hold up to five pellets that can be released individually or all at once

LL-42 4ft long Use for pellets up to 1/2" - 3/4"

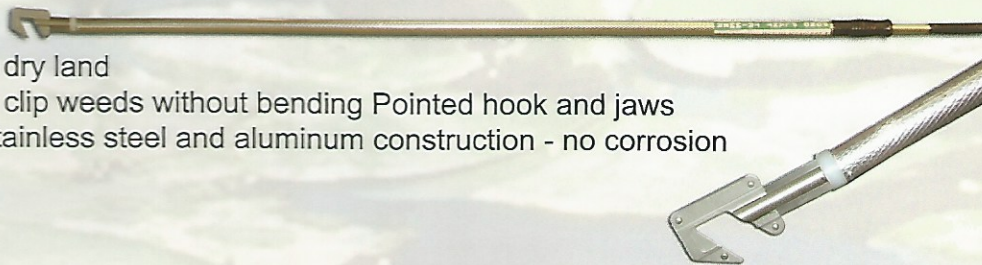

LL-43 5ft version of LL-42

PLANT TRIMMER

Trim your underwater plants from dry land
 Trimmer works great in garden to clip weeds without bending Pointed hook and jaws easily retrieves severed leaves Stainless steel and aluminum construction - no corrosion

PT-05 5ft foot long

Submerged Pump and Plant Protector

Protects Pumps from large debris • Keeps pump intake clear of leaves, etc •
 Protects submerged plants • Allows adequate water circulation around plants •
 Allows protection for fry • Black netting reduces visibility

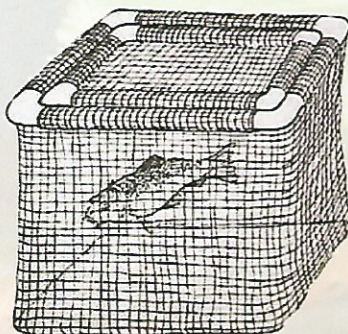

SPP-1 1ft diameter

SPP-2 2ft diameter

Floating Fish Cages

Use as dividers in large fish tanks and ponds
 Black polyester net
 Custom sizes available

FLC-1
 1ft x 3ft x 2ft deep

FLC-2
 2ft x 3ft x 2ft deep

FLC-3
 3ft x 3ft x 2ft deep

FLC-4
 4ft x 3ft x 2ft deep

FLC-1R
 Replacement Net Only
 1ft x 3ft

FLC-2R
 Replacement Net Only
 2ft x 3ft

FLC-3R
 Replacement Net Only
 3ft x 3ft

FLC-4
 Replacement Net Only
 4ft x 3ft

Media Bags

Useful for holding various media types. Strong polyester netting with a drawstring and cord-lock to prevent media from escaping.

MB-01 6" x 18" 1/4" black polyester

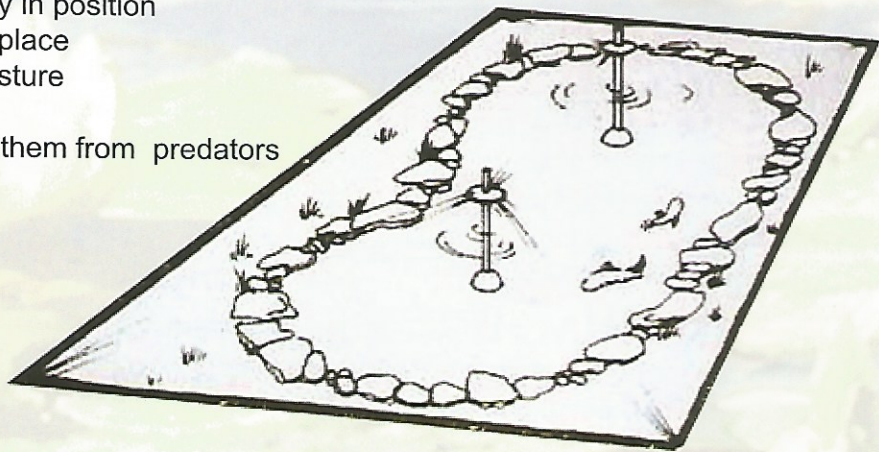

MB-02 10" x 24" 1/4" black polyester

MB-03 14" x 36" 1/4" black polyester

Big Top Pond Cover

- Poles have positive lock to hold cover firmly in position
- Aluminum ground stakes hold net firmly in place
- Netting allows sunlight, ventilation and moisture
- Keeps out leaves and debris
- Enjoy your fish and plants while protecting them from predators
- Black polyester netting
- Brass grommets
- Strong polyester webbing edges
- Stakes included according to size

Cut Sizes

- PC-05** 6 ft x 8-1/2 ft - no poles
- PC-10** 8-1/2 ft x 12 ft - 1 pole
- PC-20** 8-1/2 ft x 18 ft - 2 poles
- PC-30** 17 ft x 24 ft - 2 poles

ACCESSORIES

Additional or longer poles available
Use for Big Top Pond Covers or as anchors
for submerged plant protectors

- P-03** 3 ft pole
- P-04** 4 ft pole
- P-05** 5 ft pole
- S-1** Ground Stakes
6" long, 1/4" diameter aluminum rod

Pond Netting

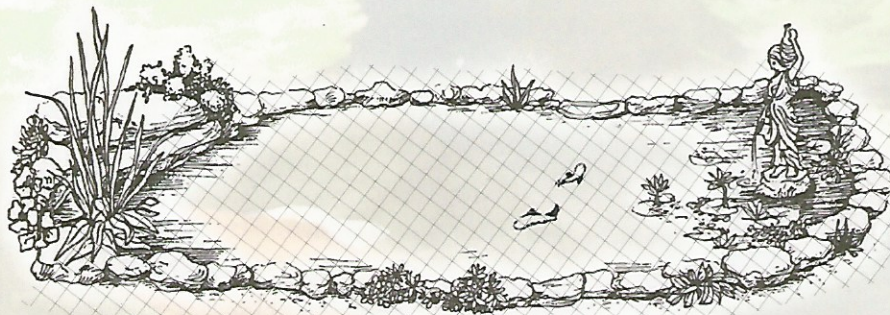

Available for:
Cages • Traps •
Holding Pens •
Separations •
Grading • Culling •
Prevents falling leaves
rotting in pond

- PN-10** 10ft x 10ft, 1/4" black polyester net
- PN-20** 10ft x 20ft, 1/4" black polyester net

Predator Pond Net

Clear, virtually invisible (see through)
netting gives protection from birds and
other animals. Can be stretched tightly
over pond or raised above pond with
optional poles.
Sizes are approximate.

- PPN-16** 8'x8' (Covers 6'x6')
- PPN-20** 8'x12' (Covers 6'x12')
- PPN-28** 12'x16' (Covers 10'x15')
- PPN-36** 16'x20' (Covers 15'x18')

Stakes packed with net. Additional stakes available upon request.
For large nets, optional poles available in sizes PP-03 is 3 foot,
PP-04 is 4 foot, PP-05 is 5 foot. Plastic disks attach pole to net.

Tank Covers

Made from 1/4" black polyester net
Drawstring and locking device to hold
cover securely

- TC-04** Round - Covers 3-4ft tank
- TC-05** Round - Covers 4-5ft tank
- TC-06** Round - Covers 5-6ft tank
- TC-07** Round - Covers 6-7ft tank
- TC-09** Round - Covers 8-9ft tank
- TC-10** Round - Covers 10ft tank
- TC-34** Rectangle - Covers 3ft x 4ft tank
