

	P/N	2200 - chain cutter w/tool box, one set of chains w/bits and tools for the cutter
	Hose Con.	3/4", 1"
	Minimum/GPM	40
	Dimensions	16.92" x 5.31"
	Weight	16,09
	Pipe Diameter	6" - 12"
	Rear Jets	3
	Turbine Jets	3
	Tier	3

An impressive cutter with flexible guide skid (6" - 12")

The **Turbo® II** flexible chain cutter was engineered to be powerful, durable, user friendly and require low maintenance. Made from high quality stainless steel and aluminum, this cutter uses turbine technology in combination with 3D fluid mechanics to deliver unmatched cutting performance in its operating range. Roots, grease, mineral deposits and protruding taps don't stand a chance against this impressive cutter. The flexible guide skid is adjustable between 6"-12" within 1/16", making it capable of handling offsets in the pipe. The cutter comes standard with one-piece ceramic inserts, a high-pressure swivel and is capable of use with recycled water.
